February 15, 2024

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-2023 educational progress for Discovery Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Principal Blair Feldkamp for assistance.

The AER is available for you to review electronically by visiting the link [here](#). You may also search for our school's AER at [MI School Data](#) or review a copy in the main office at your student's school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

Our strengths in reading are high frequency words and comprehension of fictional text. Our challenge continues to lie in increasing vocabulary scores as measured by the iReady assessment. In math, we will focus on a strong base of numbers and operations. This school year's data shows that we are making progress in this area. Our strength in math is algebra across the lower grade levels. Our challenges in math lie in geometry. We are mindful in planning instruction to address our English Language Learners.

State law requires that we also report additional information.

ASSIGNING PUPILS TO THE SCHOOL

Students in Kentwood Public School District are assigned to individual school buildings based on the grade level they attend and the geographic area in which they live. School boundaries were

developed with community involvement and can be viewed at the Kentwood Public Schools Administration Building at 5820 Eastern Ave. S.E.

SCHOOL IMPROVEMENT PLAN

Discovery Elementary has an approved School Improvement Plan submitted to the State in which stakeholders have outlined goals and objectives that address student academic needs. Looking at a variety of data that measure student academic progress, we identified areas for improvement and research-based strategies to address these needs.

SPECIALIZED SCHOOLS

Discovery Elementary houses the district Gifted and Talented program entitled PEAKS (Parents, Educators and Kids Success). The PEAKS program consists of two sections of third, fourth and fifth grade. Please see our school website for additional information.

CORE CURRICULUM

Process:

Kentwood Public Schools has aligned curriculum in all content areas with the Michigan Curriculum Framework and the Michigan Merit Curriculum. Benchmarks can be found on the Michigan Department of Education website: <http://www.michigan.gov/mde>

Our assessments and report cards are also aligned with the curriculum. Classroom instruction is congruent with the curriculum expectations and is monitored constantly by building principals and academic support personnel.

Alignment:

Each grade level on the elementary level and each content area at the secondary levels meet regularly to study curriculum issues and to ensure that all students have common, equitable curricular experiences. A gap analysis is conducted annually with the M-STEP testing information and the curriculum is examined for areas of strength and weakness. After this audit, necessary adjustments are made.

Equity:

"Excellence and Equity for All" is the motto of Kentwood Public Schools. Common assessments with common scoring rubrics, a common curriculum, common core materials, and a common standards-based report card help us work toward our goal of equity. In addition, principals and other evaluators have common instructional expectations that are used to guide teacher evaluation. Professional development, study groups, and constant communication between regular education, special education, and gifted programs also facilitate this process. We are committed to ALL of our students having multiple opportunities to learn and be successful in the core curriculum.

STUDENT ACHIEVEMENT RESULTS

Year	Grade	ELA	Math	Science	Social Studies
2021-22	3	50%	47%	n/a	n/a
	4	56%	53%	n/a	n/a

	5	49%	37%	34%	17%
2022-23	3	58%	55%	n/a	n/a
	4	57%	48%	n/a	n/a
	5	54%	39%	40%	35%

Parent-Teacher Conference Attendance

School Year	Fall Number of Parents Attended	Fall Percentage of Parents Attended	Spring Number of Parents Attended	Spring Percentage of Parents Attended
2021-2022	666	99%	659	98%
2022-2023	629	97%	686	96%

Discovery strongly supports the district’s Strategic Plan that was implemented in the fall of 2023. We have an active Parent Teacher Committee (PTC) which meets the third or fourth Thursday of each month (except December). Our PTC provides a lot of support for our students, families, and staff, including our Daddy/Daughter Dance and a Mother/Son event. We have many student oriented extra-curricular activities including Open House, Literacy Night, Bi-Annual Science night, Girls on the Run, Total Trek Quest, Science Robotics Club, and IMPACT. Discovery students and staff also benefit from an active Student Council organization.

Discovery Elementary was recognized as an Exemplary High Performing National Blue Ribbon School in 2020 by the United States Department of Education. Discovery was also designated as a National Showcase School in the spring of 2023 by the Capturing Kids Hearts organization. This was the fifth consecutive year that Discovery has been recognized at the national level by the Flippen Group. Discovery Elementary was also recognized as Building the Hope School in the fall of 2021 by the Education Trust - Midwest.

Sincerely,
 Blair Feldkamp
 Principal, Discovery Elementary
