Identified MLPP assessments for Kindergarten to be administered to provide formative assessment to guide teaching and intervention support.

SRI should be administered no more than 2 times throughout the school year to any given first grader (January, May)

Grade level guides are provided to support quality instruction. Buildings are expected to support quality writing instruction with formative assessments, including informational text writing, throughout the year.

Written Progress Reports will be provided for parents in November and March to meet School Improvement requirements.

SRI should not be administered to a given student more than 3 times in a school year. Building discretion is allowed to establish the first SRI assessment date, providing it occurs during the first marking period. It is permissible to administer the SRI to students new to Kentwood at a different time than returning Kentwood students, however, no student should be assessed more than once during this marking period.

Grade level guides for Explicit Tier I Writing Instruction are provided to support quality instruction. Buildings are expected to support quality writing instruction with formative assessments, including informational text writing, throughout the year.

Second grade written Progress Reports will be provided for parents in November and March to meet School Improvement requirements.

Third grade written Progress Reports will be provided for parents in November using a report card template with additional written Progress Reports provided midway through marking periods 2, 3, and 4 to meet School Improvement requirements.
