Attendance Policy

Students will be allowed three (3) absences. Students missing more than six (6) hours of class or more than the equivalent of three (3) absences will be dropped from that class without refund of tuition.

Three (3) tardies will be the equivalent of one absence.

Tardiness of more than 15 minutes will be considered as one absence.

If a student displays disruptive behavior, he/she will be sent home for the day. This absence will count toward their total absences.

Behavior Policy

It is expected that all students will follow school rules as stated in the EKHS Student Handbook. Failure to do so will result in disciplinary action, up to and including being removed from the program. Students who are removed from the program will not receive credit(s) or a tuition refund.

I have read and agree to the attendance and behavior policy requirements.
