

The EKHS National Art Honor Society
is proud to announce
another
Painted Furniture Project!

This year, we have been busy fundraising to help the children in Haiti. We hope to do our part in building an elementary school in Jacmel.

Please bid on your favorite piece (over and over again). All bids are welcome!

Come and see the beautiful painted furniture for yourselves!

Where: The high school art gallery (next to the LMC). When: May 13 to May 24

Shown are some samples of the work of our very talented students.
