

## School Annual Education Report (AER) Cover Letter

August 20, 2011

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for East Kentwood Freshman Campus. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Michele Siderman for assistance.

The AER is available for you to review electronically by visiting the following web site [www.kentwoodps.org/ourdistrict/annualreports](http://www.kentwoodps.org/ourdistrict/annualreports) or you may review a copy from the principal's office at your child's school.

For 2010-2011, East Kentwood Freshman Campus did not make Adequate Yearly Progress (AYP) because one student was tested and that student was not proficient on the State assessment. If we do not make AYP for two years in a row, we will be identified for school improvement. East Kentwood Freshman Campus will continue to incorporate school improvement strategies to assist all students in finding academic success and will use data to measure this success. We appreciate the continued support of parents, staff and our community in this effort. State law requires that we also report the following additional information.

### **Process for Assigning Pupils to the School:**

Students in Kentwood Public School District are assigned to individual school buildings based on the grade level they attend and the geographic area in which they live. School boundaries were developed with community involvement and can be viewed at the Kentwood Public Schools Administration Building at 5820 Eastern Ave. S.E.

### **Status of School Improvement Plan:**

East Kentwood Freshman Campus has an approved school improvement plan submitted to the State in which stakeholders have outlined goals and objectives for the next 3 years that address student academic needs. The needs addressed in the plan are identified by looking at a variety of data that measures student academic progress. The stakeholders identify areas of need and research scientifically based strategies to address these needs.

### **Core Curriculum:**

Process:

Kentwood Public Schools has aligned curriculum in all content areas with the Michigan Curriculum Framework and benchmarks which can be found on the Michigan Department of Education website (<http://www.michigan.gov/mde>). Our assessments and report card are also aligned with the curriculum. Classroom instruction is congruent with the curriculum expectations and is monitored consistently by building principals and academic support personnel.

**Alignment:**

Each grade level on the elementary level and each content area at the secondary levels meet monthly to study curriculum issues and to ensure that all students have common, equitable curricular experiences. A gap analysis is conducted annually with the MEAP testing information and the curriculum is examined for areas of strength and weakness. After this audit, necessary adjustments are made.

**Equity:**

Excellence and Equity for All is the motto of Kentwood Public Schools. Common assessments with common scoring rubrics, a common curriculum, common core materials, and a common electronic standards-based report card help us work toward our goal of equity. In additions, principals and other evaluators have common instructional expectations that are used to guide teacher evaluation. Professional development, study groups, and constant communication between regular education, special education, and gifted programs also facilitate this process. We are committed to ALL of our students having multiple opportunities to learn and be successful in the core curriculum.

**Aggregate Student Achievement Results:**

All students at East Kentwood Freshman Campus take the Explore ACT Assessment. The average test score in English was 14.9, Mathematics 15.4, Reading 14.7, Science 16.7 and Composite Score 15.6 which is slightly below the national average of 16.1.

**Parent-Teacher Conference Attendance:**

Trimester one: 330 students (42.7%) represented  
Trimester two: 224 students (28.4%) represented  
Trimester three: 192 students (24.8%) represented.

East Kentwood Freshman Campus does not offer any Advanced Placement or International Baccalaureate classes for college credit.

East Kentwood Freshman Campus is dedicated to providing students with a 21st Century education that is research based by implementing instruction. We continue to provide students with a variety of resources and opportunities to become a successful well-rounded young adult. We look forward to continued improvement and are confident the 2011-2012 school year will bring many academic successes.

Sincerely,

Michele Siderman  
Principal
