

## School Annual Education Report (AER) Cover Letter

August 20, 2010

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2009-2010 educational progress for Endeavor Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Valerie Pearce, Principal, for assistance. The AER is available for you to review electronically by visiting the following web site [www.kentwoodps.org/ourdistrict/annualreports](http://www.kentwoodps.org/ourdistrict/annualreports) or you may review a copy from the Endeavor office.

For 2009-2010, Endeavor made Adequate Yearly Progress (AYP) in English language arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort. State law requires that we also report the following additional information.

### **Process for Assigning Pupils to the School:**

Students in Kentwood Public School District are assigned to individual school buildings based on the grade level they attend and the geographic area in which they live. School boundaries were developed with community involvement and can be viewed at the Kentwood Public Schools Administration Building at 5820 Eastern Ave. S.E.

### **Core Curriculum:**

Process:

Kentwood Public Schools has aligned curriculum in all content areas with the Michigan Curriculum Framework and benchmarks which can be found on the Michigan Department of Education website (<http://www.michigan.gov/mde>). Our assessments and report card are also aligned with the curriculum. Classroom instruction is congruent with the curriculum expectations and is monitored consistently by building principals and academic support personnel.

Alignment:

Each grade level at the elementary level and each content area at the secondary levels meet monthly to study curriculum issues and to ensure that all students have common, equitable curricular experiences. A gap analysis is conducted annually with the MEAP testing information and the curriculum is examined for areas of strength and weakness. After this audit, necessary adjustments are made.

Equity:

Excellence and Equity for All is the motto of Kentwood Public Schools. Common assessments with common scoring rubrics, a common curriculum, common core materials, and a common electronic standards-based report card help us work

toward our goal of equity. In addition, principals and other evaluators have common instructional expectations that are used to guide teacher evaluation. Professional development, study groups, and constant communication between regular education, special education, and gifted programs also facilitate this process. We are committed to ALL of our students having multiple opportunities to learn and be successful in the core curriculum.

**Status of School Improvement Plan:**

Endeavor has an approved school improvement plan submitted to the State in which stakeholders have outlined goals and objectives for the next 3 years that address student academic needs. The needs addressed in the plan are identified by looking at a variety of data that measures student academic progress. The stakeholders identify areas of need and research scientifically based strategies to address these needs.

**Aggregate Student Achievement Results:**

In addition to the MEAP, Endeavor students take district end of the year content assessments in reading and math. These results are analyzed in detail by the Endeavor staff to guide instruction and student learning.

<b>End of the Year Reading Proficiency</b>	<b>Grade 2</b>	<b>Grade 3</b>	<b>Grade 4</b>	<b>Grade 5</b>

<b>Building Overall Scores</b>	<b>93.06</b>	<b>95.45</b>	<b>98.67</b>	<b>96.00</b>

Endeavor reading proficiency scores have remained consistent from year to year. Our proficiency rate of over 90% for each grade level indicates a strong curriculum that supports the needs of many of our students. During the 2009-10 school year, Endeavor has implemented an intervention program designed to further the growth of reading skills for all students. Special attention is given to implement alternative instructional strategies for those students who are reading below grade level while also providing extended learning experiences for proficient readers.

End of the Year Math Proficiency	Grade 1	Grade 2	Grade 3	Grade 4	Grade 5
Social Economic Status (SES)	81.82	96.67	57.58	53.33	79.31

Building Overall Scores	85.53	93.15	81.00	68.00	85.00

Endeavor math proficiency scores on our district assessment are lower than the fall 2009 MEAP scores (97% proficient in 3<sup>rd</sup> grade, 100% proficient in 4<sup>th</sup> grade and 96% proficient in 5<sup>th</sup> grade). The design of the district assessment allows our Endeavor staff to analyze specific skill strands to revise our curriculum and guide our instruction as we continually strive to provide a quality math program for our students.

### **Parent-Teacher Conference Attendance:**

Endeavor staff places a high emphasis on parental involvement. We have a strong belief that Parent/Teacher Conferences are essential to promote and maintain student success. We strive to support our families' individual needs so that a conference is held for each child. Our conference attendance rates for 2009-2010 were 92.5% participation for the November conferences and 90.6% participation for March conferences.

### **Endeavor Focus**

The most important aspect of Endeavor is a solid staff commitment to an excellent education for all students. Building a community of learners while utilizing a coherent curriculum in a student-centered climate is emphasized daily. We continually strive to refine and improve our instructional strategies to meet the needs of all students academically, as well as socially, emotionally, and physically. Our strong emphasis on data collection and analysis promotes a wide variety of programming to meet the individual needs of our students. We believe Endeavor is a great educational environment for our students. Under the umbrella of support provided by both Endeavor staff and parents, our students thrive and grow.

Sincerely,

Valerie A. Pearce
