Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2011-2012 educational progress for the East Kentwood Freshman Campus. The AER addresses the complex reporting information required by Federal and State laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact the building principal for assistance.

The AER is available for you to review electronically by visiting the following web site <http://www.kentwoodps.org/ourdistrict/annualreports/> or you may review a copy from the principal's office at your child's school.

For 2011-2012, East Kentwood Freshman Campus made Adequate Yearly Progress (AYP) in the tested subjects (mathematics, reading, science, social studies and writing; as appropriate for the school grade levels tested). While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

State law requires that we also report the following additional information.

Process for Assigning Pupils to the School:

Students in Kentwood Public School District are assigned to individual school buildings based on the grade level they attend and the geographic area in which they live. School boundaries were developed with community involvement and can be viewed at the Kentwood Public Schools Administration Building at 5820 Eastern Ave. S.E.

Status of School Improvement Plan:

East Kentwood Freshman Campus has a valid and completed School Improvement plan which has been submitted to the Michigan Department of Education.

Core Curriculum:

Process:

Kentwood Public Schools has aligned curriculum in all content areas with the Michigan Curriculum Framework and the Michigan Merit Curriculum. Benchmarks can be found on the Michigan Department of Education website (<http://www.michigan.gov/mde>). Our assessments and report card are also

aligned with the curriculum. Classroom instruction is congruent with the curriculum expectations and is monitored consistently by building principals and academic support personnel.

Alignment:

Each grade level on the elementary level and each content area at the secondary levels meet regularly to study curriculum issues and to ensure that all students have common, equitable curricular experiences. A gap analysis is conducted annually with the MEAP testing information and the curriculum is examined for areas of strength and weakness. After this audit, necessary adjustments are made.

Equity:

“Excellence and Equity for All” is the motto of Kentwood Public Schools. Common assessments with common scoring rubrics, a common curriculum, common core materials, and a common standards-based report card help us work toward our goal of equity. In addition, principals and other evaluators have common instructional expectations that are used to guide teacher evaluation. Professional development, study groups, and constant communication between regular education, special education, and gifted programs also facilitate this process. We are committed to ALL of our students having multiple opportunities to learn and be successful in the core curriculum.
