**Dr. Scott Palczewski**  
Superintendent of Schools

August 15, 2012

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2011-2012 educational progress for Valleywood Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Valleywood Middle School for assistance.

The AER is available for you to review electronically by visiting the following web site

[www.kentwoodps.org/ourdistrict/annualreports](http://www.kentwoodps.org/ourdistrict/annualreports) or you may review a copy from the principal's office at your child's school.

For 2011-2012, Valleywood Middle School made Adequate Yearly Progress (AYP) in English Language Arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. Valleywood has implemented the following Reading strategies and interventions for students who perform below grade level in reading: READ 180 program, Systems 44, Lindamood-Bell, Read to Achieve, and One-To-One intervention. Valleywood offers team taught math classes for each grade level that is taught by one Special education teacher and one general education math teacher for both at-risk and special education students using the general education curriculum. Each grade level team has Intervention Specialists that are available to assist at-risk students with a focus on homework, study-skills, make-up work, re-teaching, parent communication, and test-taking/make ups. The ARCH program is offered to all students as an after-school support. This program supports the core academics through an academic and homework tutorial hour. We appreciate the continued support of parents, staff and our community in this effort.

**Process for Assigning Pupils to the School:**

Students in Kentwood Public School District are assigned to individual school buildings based on the grade level they attend and the geographic area in which they live. School boundaries were developed with community involvement and can be viewed at the Kentwood Public Schools Administration Building at 5820 Eastern Ave. S.E.

**Status of School Improvement Plan:**

Valleywood Middle School has an approved school improvement plan submitted to the State in which stakeholders have outlined goals and objectives for the next 3 years that address student academic needs. The needs addressed in the plan are identified by looking at a variety of data that measures student academic progress. The stakeholders identify areas of need and research scientifically based strategies to address these needs.

**Core Curriculum:**

Process:

Kentwood Public Schools has aligned curriculum in all content areas with the Michigan Curriculum Framework and benchmarks which can be found on the Michigan Department of Education website (<http://www.michigan.gov/mde>). Our assessments and report card are also aligned with the curriculum. Classroom instruction is congruent with the curriculum expectations and is monitored consistently by building principals and academic support personnel.

Alignment:

Each grade level on the elementary level and each content area at the secondary levels meet monthly to study curriculum issues and to ensure that all students have common, equitable curricular experiences. A gap analysis is conducted annually with the MEAP testing information and the curriculum is examined for areas of strength and weakness. After this audit, necessary adjustments are made.

Equity:

Excellence and Equity for All is the motto of Kentwood Public Schools. Common assessments with common scoring rubrics, a common curriculum, common core materials, and a common electronic standards-based report card help us work toward our goal of equity. In additions, principals and other evaluators have common instructional expectations that are used to guide teacher evaluation. Professional development, study groups, and constant communication between regular education, special education, and gifted programs also facilitate this process. We are committed to ALL of our students having multiple opportunities to learn and be successful in the core curriculum.

**Aggregate Student Achievement Results:**

**SRI Results**

6<sup>th</sup> 70%

7<sup>th</sup> 77%

8<sup>th</sup> 75%

**Parent-Teacher Conference Attendance:**

2010-2011

Fall Conferences 82%

Spring Conferences 68%

2011-2012

Fall Conferences 60%

Spring Conferences 56%

It is with great excitement that I report Valleywood's Annual Growth. Valleywood is dedicated to providing students with a 21<sup>st</sup> Century education that is research based. By implementing instruction that uses the best resources available, I am confident that the 2012-2013 school year will be even more successful.

Sincerely,

Arminda Westra

**Principal, Valleywood Middle School**
