

College/Career Events For Students

(last updated 6/18/08)

The EKHS Guidance Department receives many notifications from colleges and universities of events relating to their institutions. In an effort to try to make this information more readily available to our students and families, we are providing the following list of activities and events. Please remember that thousands of events take place every year on or regarding colleges and careers; therefore, this is not an all-inclusive list. Furthermore, EKHS does not specifically endorse any of these events. Please contact the host of the event for additional details (costs, parent involvement, etc.) We encourage you to search post-secondary institution's websites for other activities and events that interest you.
