February 15, 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for Meadowlawn Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Timothy Hargis for assistance.

The AER is available for you to review electronically by visiting the link [here](#). You may also search for our school's AER at www.mischool.data or review a copy in the main office at your student's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2018-19. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2017-18. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2016-17. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

Meadowlawn continues to refine its Multi-Tiered System of Supports (MTSS) to meet the needs of individual students. We also continue to provide professional development to staff to ensure quality classroom instruction. In addition, scheduled and consistent reviews of data take place throughout the year to mark progress and to identify areas of need for both classrooms and for individual students.

State law requires that we also report additional information.

ASSIGNING PUPILS TO THE SCHOOL

Students in Kentwood Public School District are assigned to individual school buildings based on the grade level they attend and the geographic area in which they live. School boundaries were

developed with community involvement and can be viewed at the Kentwood Public Schools Administration Building at 5820 Eastern Ave. S.E.

SCHOOL IMPROVEMENT PLAN

Meadowlawn Elementary has an approved School Improvement Plan submitted to the State in which stakeholders have outlined goals and objectives that address student academic needs. Looking at a variety of data that measure student academic progress, we identified areas for improvement and research-based strategies to address these needs.

CORE CURRICULUM

Process:

Kentwood Public Schools has aligned curriculum in all content areas with the Michigan Curriculum Framework and the Michigan Merit Curriculum. Benchmarks can be found on the Michigan Department of Education website: <http://www.michigan.gov/mde>

Our assessments and report cards are also aligned with the curriculum. Classroom instruction is congruent with the curriculum expectations and is monitored constantly by building principals and academic support personnel.

Alignment:

Each grade level on the elementary level and each content area at the secondary levels meet regularly to study curriculum issues and to ensure that all students have common, equitable curricular experiences. A gap analysis is conducted annually with the M-STEP testing information and the curriculum is examined for areas of strength and weakness. After this audit, necessary adjustments are made.

Equity:

"Excellence and Equity for All" is the motto of Kentwood Public Schools. Common assessments with common scoring rubrics, a common curriculum, common core materials, and a common standards-based report card help us work toward our goal of equity. In addition, principals and other evaluators have common instructional expectations that are used to guide teacher evaluation. Professional development, study groups, and constant communication between regular education, special education, and gifted programs also facilitate this process. We are committed to ALL of our students having multiple opportunities to learn and be successful in the core curriculum.

STUDENT ACHIEVEMENT RESULTS

School Year	ELA Proficiency	Math Proficiency
2021-2022	44%	44%

2020-2021	43%	39%
------------------	------------	------------

Parent-Teacher Conference Attendance

School Year	Fall Number of Parents Attended	Fall Percentage of Parents Attended	Spring Number of Parents Attended	Spring Percentage of Parents Attended
2020-2021	310	94%	314	94%
2021-2022				

Meadowlawn Elementary is dedicated to serving our students by providing a safe, nurturing environment that focuses on academic achievement and success for all students. While we are proud of the achievements our students have made, we are determined to continue to work to ensure that all students are successful in our school. Moving forward we will continue to use data, professional development, and collaboration to make sure our students have what they need in order to be successful.

Sincerely,

Julie Schrot
Principal, Meadowlawn Elementary
Kentwood Public Schools
