PROCEDURE

Jan Gillislee - 1085 51st street by VW. Regarding the truth of what is happening in the schools. Saw an article on MLIVE about the amount of stress in their life. It said that we need more counselors for children. Affirmed what president trump shared as an executive order regarding the genders of male and female. Believes that teachers need to tell students the truth about what is going on. Begging that our schools teach children this.

Paul Gillisee- 1085 51st street - school safety. Asking about if schools are able to use lethal force regarding intruders.

Kevin McKenna - president of kelloggsville little league. Includes kville, godwin, wyo, and KPS. In the past KPS has shared flyers but the last 2 years they have not been able to share flyers with students. It is my understanding that because we compete with KBL that is why they are not shared.
