*****SOME CLASS A (N/C) EVENTS WILL INCUR ADD'L CHARGES - KENTWOOD PUBLIC SCHOOLS RESERVES THE RIGHT TO REVIEW AND CHARGE ACCORDINGLY*****

Level 1: This level applies to any school sponsored event or school sponsored sport practice/academic competition and/or sponsored clubs. It also applies to Community Services events and classes. These events and classes are coordinated through Community Services and applicable fees are settled through the setup process. Child Care Services, School based PTA/PTO, Booster group organizations, Special Olympics, Odyssey of the Mind and local Scout groups are also considered at this level. Site approval is required by the Building Administration.

Class 1-A: This class includes all of those groups named in Class 1. At such times as their events are generating income, these groups will be responsible for the payment of any extra custodial costs related to the event.

Level 2: This level applies to a community based non-profit group, such as, but not limited to: governmental agencies, church groups or organized groups who provide local, civic, educational,

religious or cultural activities and are staffed by volunteers. The School District may require proof of tax-exempt status. Events used to raise funds for charity or school sponsored sports teams may have facility fees waived by the District. Business office approval is required.

Level 3: This level applies to not-for-profit use by private citizens, community based groups including non school sponsored sports teams. Users in this level are defined as groups of community residents who are interested in using school facilities for a particular use such as recreational, educational, and cultural activities. Business office approval is required.
