ATTENDANCE & BEHAVIOR POLICY

- Students are expected to attend their chosen classes on time every day they are scheduled
 - Students reporting to class (in person or online) late within first 10 minutes will be marked tardy
 - Three tardy marks will equate to one absence
 - Students reporting to class (in person or online) after the first 10 minutes will be marked tardy-absent
 - After three absences in one class - students will be required to make up missed class time by attending Friday class
 - If absences persist, students may be dropped from that class without credit
- All students are expected to follow all rules stated in the EKHS [Student Handbook](#)
 - Behavior Support will be provided whenever required
 - Persistent behavioral issues may result in removal from the program without class credit
 - If a student displays disruptive behavior during an online class session, they may be removed from the session and will be counted as absent
 - This absence will count toward their total absences
- Students removed from the program for Attendance or Disciplinary reasons will not receive credit
