Kentwood Public Schools is a member of Michigan Retirement Investment Consortium (MRIC), a group of K-12 school districts, intermediate school districts, and community colleges that utilizes the benefits of a consortium. By participating in the MRIC, member school systems can spend less time evaluating third-party administrators, investment firms, and financial products and more time educating.

Vendors available through Kentwood Schools:

In selecting investment providers for participants, the MRIC Board focused on three criteria; [1] Performance [2] Price and [3] Service.
